I work towards building visually beautiful interfaces for joyous user experiences.

EXPERIENCE

UNIVERSITY OF MARYLAND

Teaching Assistant, Jan 2022

Currently working as a TA for the Visual Design Graduate Course (INST703) at UMD. I teach a little beginner section on Figma in the class every week.

APPLUTIONS

Product Designer,
Dec 2019 - Jun 2020

Worked as a Product Designer on a rentals and communications app. Also helped conceptualize banking and finance apps and built proposals for clients. Used Figma extensively to work on the creatives.

WINUALL

Product Designer,
Dec 2018 - Oct 2019

Worked as a Product Designer on a complete redesign for an existing edtech platform, to help increase engagement and usability. Used Figma to design three apps that are sold to over 150 clients.
